Helpers

We need to have extra people willing to help in any area needed the day of the fair. You would fill in for volunteers who are sick or if everyone is there, you will give people breaks (especially while those workers who are performing a song), help volunteers who need equipment, help set up & tear down games, or simply crowd control. We can use all the volunteers we can get!! There is no telling how

many people we will have come to the fair! Last year there were over 300 & 400 the year before, but we are expecting even more this year.
